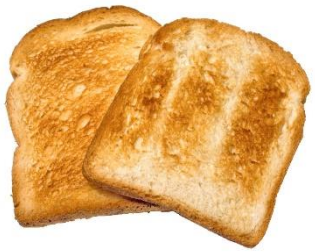
Archfield House Nursery

Breakfast at Archfield House

Here at Archfield we know the importance of a healthy nutritious breakfast.

The first meal of the day refuels the body to take on the fun and challenges of the day.

We provide this in our breakfast choice each day and we think you will find it delicious too!

Here is what will be available everyday:


* A choice of wholegrain cereals
* Porridge or overnight oats
* Natural Greek yoghurt
* Homemade toast
* Fresh and dried fruit
* Selection of seeds
