Nursery Care Costs

From 1st April 2026 to 31st March 2027

All year round fees are calculated over 50 weeks to give a fixed monthly fee over the year. For example, if your child attends three full days their fees are:
(30hrs x daily charge) x 50 / 12 = monthly fee.

If your child is eligible for 15 hours funding this is ‘stretched’ over the year and equates to 11.4 hours per week, leaving 18.6 hours unfunded:
(18.6hrs x hourly charge) + (11.4 x additional services charge) x 50 / 12 = monthly fee.

If your child is eligible for 30 hours funding this is ‘stretched’ over the year and equates to 22.8 hours per week, leaving 7.2 hours unfunded:
(7.2hrs x hourly charge) + (22.8 x additional services charge) x 50 / 12 = monthly fee.
